### § 666.410 How may local incentive awards be used?

The local incentive grant funds may be used for any activities allowed under WIA title I-B.

## § 666.420 Under what circumstances may a sanction be applied to local areas for poor performance?

- (a) If a local area fails to meet the levels of performance agreed to under §666.310 for the core indicators of performance or customer satisfaction indicators for a program in any program year, technical assistance must be provided. The technical assistance must be provided by the Governor with funds reserved for Statewide workforce investment activities under WIA sections 128(a) and 133(a)(1), or, upon the Governor's request, by the Secretary. The technical assistance may include the development of a performance improvement plan, a modified local plan, or other actions designed to assist the local area in improving performance.
- (b) If a local area fails to meet the levels of performance agreed to under §666.310 for the core indicators of performance or customer satisfaction indicators for a program for two consecutive program years, the Governor must take corrective actions. The corrective actions may include the development of a reorganization plan under which the Governor:
- Requires the appointment and certification of a new Local Board;
- (2) Prohibits the use of particular service providers or One-Stop partners that have been identified as achieving poor levels of performance; or
- (3) Requires other appropriate measures designed to improve the performance of the local area.
- (c) A local area may appeal to the Governor to rescind or revise a reorganization plan imposed under paragraph (b) of this section not later than thirty (30) days after receiving notice of the plan. The Governor must make a final decision within 30 days after receipt of the appeal. The Governor's final decision may be appealed by the Local Board to the Secretary under 20 CFR 667.650(b) not later than thirty (30) days after the local area receives the decision. The decision by the Governor to impose a reorganization plan becomes

effective at the time it is issued, and remains effective unless the Secretary rescinds or revises the reorganization plan. Upon receipt of the appeal from the local area, the Secretary must make a final decision within thirty (30) days. (WIA sec. 136(h).)

- (2) The Wagner-Peyser Act and all applicable rules and regulations.
- (b) The Governor/Secretary Agreement may be modified, revised or terminated at any time, upon the agreement of both parties.

## §667.120 What planning information must a State submit in order to receive a formula grant?

Each State seeking financial assistance under WIA sections 127 (youth) or 132 (adults and dislocated workers) or under the Wagner-Peyser Act must submit a single State Plan. The requirements for the plan content and the plan review process are described in WIA section 112, Wagner-Peyser Act section 8, and 20 CFR 661.220, 661.240 and 652.211 through 652.214.

### § 667.130 How are WIA title I formula funds allocated to local workforce investment areas?

- (a) General. The Governor must allocate WIA formula funds allotted for services to youth, adults and dislocated workers in accordance with WIA sections 128 and 133, and this section.
- (1) State Boards must assist Governors in the development of any discretionary within-State allocation formulas. (WIA sec. 111(d)(5).)
- (2) Within-State allocations must be made:
- (i) In accordance with the allocation formulas contained in WIA sections 128(b) and 133(b) and in the State workforce investment plan, and
- (ii) After consultation with chief elected officials in each of the work-force investment areas.
- (b) State reserve. (1) Of the WIA formula funds allotted for services to youth, adults and dislocated workers, the Governor must reserve funds from each of these sources for Statewide workforce investment activities. In making these reservations, the Governor may reserve up to fifteen (15) percent from each of these sources. Funds reserved under this paragraph may be combined and spent on Statewide employment and training activities, for adults and dislocated workers, and Statewide youth activities, as described in 20 CFR 665.200 and 665.210, without regard to the funding source of the reserved funds.
- (2) The Governor must reserve a portion of the dislocated worker funds for Statewide rapid response activities, as described in WIA section 134(a)(2)(A) and 20 CFR 665.310 through 665.330. In making this reservation, the Governor

- may reserve up to twenty-five (25) percent of the dislocated worker funds.
- (c) Youth allocation formula. (1) Unless the Governor elects to distribute funds in accordance with the discretionary allocation formula described in paragraph (c)(2) of this section, the remainder of youth funds not reserved under paragraph (b)(1) of this section must be allocated:
- (i) 33½ percent on the basis of the relative number of unemployed individuals in areas of substantial unemployment in each workforce investment area, compared to the total number of unemployed individuals in all areas of substantial unemployment in the State:
- (ii) 33½ percent on the basis of the relative excess number of unemployed individuals in each workforce investment area, compared to the total excess number of unemployed individuals in the State; and
- (iii)  $33\frac{1}{3}$  percent on the basis of the relative number of disadvantaged youth in each workforce investment area, compared to the total number of disadvantaged youth in the State. (WIA sec. 128(b)(2)(A)(i))
- (2) Discretionary youth allocation formula. In lieu of making the formula allocation described in paragraph (c)(1) of this section, the State may allocate youth funds under a discretionary formula. Under that formula, the State must allocate a minimum of 70 percent of youth funds not reserved under paragraph (b)(1) of this section on the basis of the formula in paragraph (c)(1) of this section, and may allocate up to 30 percent on the basis of a formula that:
- (i) Incorporates additional factors (other than the factors described in paragraph (c)(1) of this section) relating to:
- (A) Excess youth poverty in urban, rural and suburban local areas; and
- (B) Excess unemployment above the State average in urban, rural and suburban local areas; and
- (ii) Was developed by the State Board and approved by the Secretary of Labor as part of the State workforce investment plan. (WIA sec. 128(b)(3).)
- (d) Adult allocation formula. (1) Unless the Governor elects to distribute funds in accordance with the discretionary

allocation formula described in paragraph (d)(2) of this section, the remainder of adult funds not reserved under paragraph (b)(1) of this section must be allocated:

- (i) 33½ percent on the basis of the relative number of unemployed individuals in areas of substantial unemployment in each workforce investment area, compared to the total number of unemployed individuals in areas of substantial unemployment in the State;
- (ii) 33½ percent on the basis of the relative excess number of unemployed individuals in each workforce investment area, compared to the total excess number of unemployed individuals in the State; and
- (iii) 33½ percent on the basis of the relative number of disadvantaged adults in each workforce investment area, compared to the total number of disadvantaged adults in the State. (WIA sec. 133(b)(2)(A)(i))
- (2) Discretionary adult allocation formula. In lieu of making the formula allocation described in paragraph (d)(1) of this section, the State may allocate adult funds under a discretionary formula. Under that formula, the State must allocate a minimum of 70 percent of adult funds on the basis of the formula in paragraph (d)(1) of this section, and may allocate up to 30 percent on the basis of a formula that:
- (i) Incorporates additional factors (other than the factors described in paragraph (d)(1) of this section) relating to:
- (A) Excess poverty in urban, rural and suburban local areas; and
- (B) Excess unemployment above the State average in urban, rural and suburban local areas; and
- (ii) Was developed by the State Board and approved by the Secretary of Labor as part of the State workforce investment plan. (WIA sec. 133(b)(3).)
- (e) Dislocated worker allocation formula. (1) The remainder of dislocated worker funds not reserved under paragraph (b)(1) or (b)(2) of this section must be allocated on the basis of a formula prescribed by the Governor that distributes funds in a manner that addresses the State's worker readjustment assistance needs. Funds so distributed must not be less than 60 percent of the State's formula allotment.

- (2)(i) The Governor's dislocated worker formula must use the most appropriate information available to the Governor, including information on:
  - (A) Insured unemployment data,
  - (B) Unemployment concentrations,
- (C) Plant closings and mass layoff
- (D) Declining industries data,
- (E) Farmer-rancher economic hardship data, and

- (3) The Governor may not amend the dislocated worker formula more than once for any program year.
- (4)(i) Dislocated worker funds initially reserved by the Governor for Statewide rapid response activities in accordance with paragraph (b)(2) of this section may be:
  - (A) Distributed to local areas, and
- (B) Used to operate projects in local areas in accordance with the requirements of WIA section 134(a)(2)(A) and 20 CFR 665.310 through 665.330.
- (ii) The State Plan must describe the procedures for any distribution to local areas, including the timing and process for determining whether a distribution will take place.

## § 667.135 What "hold harmless" provisions apply to WIA adult and youth allocations?

- (a)(1) For the first two fiscal years after the date on which a local area is designated under section 116 of WIA, the State may elect to apply the "hold harmless" provisions specified in paragraph (b) of this section to local area allocations of WIA youth funds under §667.130(c) and to allocations of WIA adult funds under §667.130(d).
- (2) Effective at the end of the second full fiscal year after the date on which a local area is designated under section 116 of WIA the State must apply the "hold harmless" specified in paragraph (b) of this section to local area allocations of WIA youth funds under §667.130(c) and to allocations of WIA adult funds under §667.130(d).

- (3) There are no "hold harmless" provisions that apply to local area allocations of WIA dislocated worker funds.
- (b)(1) If a State elects to apply a "hold-harmless" under paragraph (a)(1) of this section, a local area must not receive an allocation amount for a fiscal year that is less than 90 percent of the average allocation of the local area for the two preceding fiscal years.
- (2) In applying the "hold harmless" under paragraph (a)(2) of this section, a local area must not receive an allocation amount for a fiscal year that is less than 90 percent of the average allocation of the local area for the two preceding fiscal years.
- (3) Amounts necessary to increase allocations to local areas must be obtained by ratably reducing the allocations to be made to other local areas.
- (4) If the amounts of WIA funds appropriated in a fiscal year are not sufficient to provide the amount specified in paragraph (b)(1) of this section to all local areas, the amounts allocated to each local area mustbe ratably reduced. (WIA secs. 128(b)(2)(A)(ii), 133(b)(2)(A)(ii), 506.)

## § 667.140 Does a Local Board have the authority to transfer funds between programs?

- (a) A Local Board may transfer up to 20 percent of a program year allocation for adult employment and training activities, and up to 20 percent of a program year allocation for dislocated worker employment and training activities between the two programs.
- (b) Before making any such transfer, a Local Board must obtain the Governor's approval.
- (c) Local Boards may not transfer funds to or from the youth program.

### § 667.150 What reallotment procedures does the Secretary use?

- (a) The first reallotment of funds among States will occur during PY 2001 based on obligations in PY 2000.
- (b) The Secretary determines, during the first quarter of the program year, whether a State has obligated its required level of at least 80 percent of the funds allotted under WIA sections 127 and 132 for programs serving youth, adults, and dislocated workers for the prior year, as separately determined

- for each of the three funding streams. Unobligated balances are determined based on allotments adjusted for any allowable transfer between the adult and dislocated worker funding streams. The amount to be recaptured from each State for reallotment, if any, is based on State obligations of the funds allotted to each State under WIA sections 127 and 132 for programs serving youth, adults, or dislocated workers, less any amount reserved (up to 5 percent at the State level and up to 10 percent at the local level) for the costs of administration. This amount, if any, is separately determined for each funding stream.
- (c) The Secretary reallots youth, adult and dislocated worker funds among eligible States in accordance with the provisions of WIA sections 127(c) and 132(c), respectively. To be eligible to receive a reallotment of youth, adult, or dislocated worker funds under the reallotment procedures, a State must have obligated at least 80 percent of the prior program year's allotment, less any amount reserved for the costs of administration of youth, adult, or dislocated worker funds. A State's eligibility to receive a reallotment is separately determined for each funding stream.
- (d) The term "obligation" is defined at 20 CFR 660.300. For purposes of this section, the Secretary will also treat as State obligations:
- (1) Amounts allocated by the State, under WIA sections 128(b) and 133(b), to the single State local area if the State has been designated as a single local area under WIA section 116(b) or to a balance of State local area administered by a unit of the State government, and
- (2) Inter-agency transfers and other actions treated by the State as encumbrances against amounts reserved by the State under WIA sections 128(a) and 133(a) for Statewide workforce investment activities.

### § 667.160 What reallocation procedures must the Governors use?

(a) The Governor may reallocate youth, adult, and dislocated worker funds among local areas within the State in accordance with the provisions of sections 128(c) and 133(c) of the

Act. If the Governor chooses to reallocate funds, the provisions in paragraphs (b) and (c) of this section apply.

- (b) For the youth, adult and dislocated worker programs, the amount to be recaptured from each local area for purposes of reallocation, if any, must be based on the amount by which the prior year's unobligated balance of allocated funds exceeds 20 percent of that year's allocation for the program, less any amount reserved (up to 10 percent) for the costs of administration. Unobligated balances must be determined based on allocations adjusted for any allowable transfer between funding streams. This amount, if any, must be separately determined for each funding stream.
- (c) To be eligible to receive youth, adult or dislocated worker funds under the reallocation procedures, a local area must have obligated at least 80 percent of the prior program year's allocation, less any amount reserved (up to 10 percent) for the costs of administration, for youth, adult, or dislocated worker activities, as separately determined. A local area's eligibility to receive a reallocation must be separately determined for each funding stream.

# § 667.170 What responsibility review does the Department conduct for awards made under WIA title I, subtitle D?

- (a) Before final selection as a potential grantee, we conduct a review of the available records to assess the organization's overall responsibility to administer Federal funds. As part of this review, we may consider any information that has come to our attention and will consider the organization's history with regard to the management of other grants, including DOL grants. The failure to meet any one responsibility test, except for those listed in paragraphs (a)(1) and (a)(2) of this section, does not establish that the organization is not responsible unless the failure is substantial or persistent (for two or more consecutive years). The responsibility tests include:
- (1) The organization's efforts to recover debts (for which three demand letters have been sent) established by final agency action have been unsuccessful, or that there has been failure

to comply with an approved repayment plan;

- (2) Established fraud or criminal activity of a significant nature within the organization.
- (3) Serious administrative deficiencies that we identify, such as failure to maintain a financial management system as required by Federal regulations;
- (4) Willful obstruction of the audit process;
- (5) Failure to provide services to applicants as agreed to in a current or recent grant or to meet applicable performance standards;
- (6) Failure to correct deficiencies brought to the grantee's attention in writing as a result of monitoring activities, reviews, assessments, or other activities:
- (7) Failure to return a grant closeout package or outstanding advances within 90 days of the grant expiration date or receipt of closeout package, whichever is later, unless an extension has been requested and granted; final billings reflecting serious cost category or total budget cost overrun;
- (8) Failure to submit required reports;
- (9) Failure to properly report and dispose of government property as instructed by DOL;
- (10) Failure to have maintained effective cash management or cost controls resulting in excess cash on hand;
- (11) Failure to ensure that a subrecipient complies with its OMB Circular A-133 audit requirements specified at §667.200(b);
- (12) Failure to audit a subrecipient within the required period;
- (13) Final disallowed costs in excess of five percent of the grant or contract award if, in the judgement of the grant officer, the disallowances are egregious findings and:
- (14) Failure to establish a mechanism to resolve a subrecipient's audit in a timely fashion.
- (b) This responsibility review is independent of the competitive process. Applicants which are determined to be not responsible will not be selected as potential grantees irrespective of their standing in the competition.

### Subpart E—Resolution of Findings From Monitoring and Oversight Reviews

# § 667.500 What procedures apply to the resolution of findings arising from audits, investigations, monitoring and oversight reviews?

- (a) Resolution of subrecipient-level findings. (1) The Governor is responsible for resolving findings that arise from the State's monitoring reviews, investigations and audits (including OMB Circular A-133 audits) of subrecipients.
- (2) A State must utilize the audit resolution, debt collection and appeal procedures that it uses for other Federal grant programs.
- (3) If a State does not have such procedures, it must prescribe standards and procedures to be used for this grant program.
- (b) Resolution of State and other direct recipient level findings. (1) The Secretary is responsible for resolving findings that arise from Federal audits, monitoring reviews, investigations, incident reports, and recipient level OMB Circular A-133 audits.
- (2) The Secretary uses the DOL audit resolution process, consistent with the Single Audit Act of 1996 and OMB Circular A-133, and Grant Officer Resolution provisions of §667.510, as appropriate.
- (3) A final determination issued by a Grant Officer under this process may be appealed to the DOL Office of Administrative Law Judges under the procedures at §667.800.
- (c) Resolution of nondiscrimination findings. Findings arising from investigations or reviews conducted under nondiscrimination laws will be resolved in accordance with WIA section 188 and the Department of Labor nondiscrimination regulations implementing WIA section 188, codified at 29 CFR part 37.

### § 667.505 How do we resolve investigative and monitoring findings?

(a) As a result of an investigation, on-site visit or other monitoring, we notify the recipient of the findings of the investigation and gives the recipient a period of time (not more than 60 days) to comment and to take appropriate corrective actions.

- (b) The Grant Officer reviews the complete file of the investigation or monitoring report and the recipient's actions under paragraph (a) of this section. The Grant Officer's review takes into account the sanction provisions of WIA section 184(b) and (c). If the Grant Officer agrees with the recipient's handling of the situation, the Grant Officer so notifies the recipient. This notification constitutes final agency action
- (c) If the Grant Officer disagrees with the recipient's handling of the matter, the Grant Officer proceeds under §667.510.

### § 667.510 What is the Grant Officer resolution process?

- (a) General. When the Grant Officer is dissatisfied with the State's disposition of an audit or other resolution of violations (including those arising out of incident reports or compliance reviews, or with the recipient's response to findings resulting from investigations or monitoring report, the initial and final determination process, set forth in this section, is used to resolve the matter.
- (b) Initial determination. The Grant Officer makes an initial determination on the findings for both those matters where there is agreement and those where there is disagreement with the recipient's resolution, including the allowability of questioned costs or activities. This initial determination is based upon the requirements of the Act and regulations, and the terms and conditions of the grants, contracts, or other agreements under the Act.
- (c) Informal resolution. Except in an emergency situation, when the Secretary invokes the authority described in WIA section 184(e), the Grant Officer may not revoke a recipient's grant in whole or in part, nor institute corrective actions or sanctions, without first providing the recipient with an opportunity to present documentation or arguments to resolve informally those matters in controversy contained in the initial determination. The initial determination must provide for an informal resolution period of at least 60 days from issuance of the initial determination. If the matters are resolved informally, the Grant Officer must

issue a final determination under paragraph (d) of this section which notifies the parties in writing of the nature of the resolution and may close the file.

- (d) Grant Officer's final determination. (1) If the matter is not fully resolved informally, the Grant Officer provides each party with a written final determination by certified mail, return receipt requested. For audits of recipient-level entities and other recipients which receive WIA funds directly from DOL, ordinarily, the final determination is issued not later than 180 days from the date that the Office of Inspector General (OIG) issues the final approved audit report to the Employment and Training Administration. For audits of subrecipients conducted by the OIG, ordinarily the final determination is issued not later than 360 days from the date the OIG issues the final approved audit report to ETA.
- (2) A final determination under this paragraph (d) must:
- (i) Indicate whether efforts to informally resolve matters contained in the initial determination have been unsuccessful:
- (ii) List those matters upon which the parties continue to disagree;
- (iii) List any modifications to the factual findings and conclusions set forth in the initial determination and the rationale for such modifications;
  - (iv) Establish a debt, if appropriate;
- (v) Require corrective action, when needed:
- (vi) Determine liability, method of restitution of funds and sanctions; and
- (vii) Offer an opportunity for a hearing in accordance with §667.800 of this part.
- (3) Unless a hearing is requested, a final determination under this paragraph (d) is final agency action and is not subject to further review.
- (e) Nothing in this subpart precludes the Grant Officer from issuing an initial determination and/or final determination directly to a subrecipient, in accordance with section 184(d)(3) of the Act. In such a case, the Grant Officer will inform the recipient of this action.

- (3) If fraud did exist, it was perpetrated against the recipient/sub-recipients; and
- (i) The recipient/subrecipients discovered, investigated, reported, and cooperated in any prosecution of the perpetrator of the fraud; and
- (ii) After aggressive debt collection action, it has been documented that further attempts at debt collection from the perpetrator of the fraud would be inappropriate or futile;

- (4) The recipient has issued a final determination which disallows the misexpenditure, the recipient's appeal process has been exhausted, and a debt has been established; and
- (5) The recipient requests such a waiver and provides documentation to demonstrate that it has substantially complied with the requirements of section 184(d)(2) of the Act, and this section.
- (d) The recipient will not be released from liability for misspent funds under the determination required by section 184(d) of the Act unless the Grant Officer determines that further collection action, either by the recipient or subrecipients, would be inappropriate or would prove futile.

# § 667.730 What is the procedure to handle a recipient's request for advance approval of contemplated corrective actions?

- (a) The recipient may request advance approval from the Grant Officer for contemplated corrective actions, including debt collection actions, which the recipient plans to initiate or to forego. from the perpetrator of the fraud would be inappropriate or futile;

- (4) Final action within the recipient's appeal system has been completed; and
- (5) Further debt collection action by that subrecipient or the recipient would be either inappropriate or futile.

#### § 667.740 What procedure must be used for administering the offset/deduction provisions at section 184(c) of the Act?

- (a)(1) For recipient level misexpenditures, we may determine that a debt, or a portion thereof, may be offset against amounts that are allotted to the recipient. Recipients must submit a written request for an offset to the Grant Officer. Generally, we will apply the offset against amounts that are available at the recipient level for administrative costs.
- (2) The Grant Officer may approve an offset request, under paragraph (a)(1) of this section, if the misexpenditures were not due to willful disregard of the requirements of the Act and regulations, gross negligence, failure to observe accepted standards of administration or a pattern of misexpenditure.
- (b) For subrecipient misexpenditures that were not due to willful disregard of the requirements of the Act and regulations, gross negligence, failure to observe accepted standards of administration or a pattern of misexpenditure, if we have required the State to repay such amount the State may deduct an amount equal to the misexpenditure from its subsequent year's allocations to the local area from funds available for the administrative costs of the local programs involved.
- (c) If offset is granted, the debt will not be fully satisfied until the Grant Officer reduces amounts allotted to the State by the amount of the misexpenditure.
- (d) A State may not make a deduction under paragraph (b) of this section until the State has taken appropriate corrective action to ensure full compliance within the local area with regard

to appropriate expenditure of WIA funds.

### Subpart H—Administrative Adjudication and Judicial Review

### § 667.800 What actions of the Department may be appealed to the Office of Administrative Law Judges?

- (a) An applicant for financial assistance under title I of WIA which is dissatisfied because we have issued a determination not to award financial assistance, in whole or in part, to such applicant; or a recipient, subrecipient, or a vendor against which the Grant Officer has directly imposed a sanction or corrective action, including a sanction against a State under 20 CFR part 666, may appeal to the U.S. Department of Labor, Office of Administrative Law Judges (OALJ) within 21 days of receipt of the final determination.
- (b) Failure to request a hearing within 21 days of receipt of the final determination constitutes a waiver of the right to a hearing.
- (c) A request for a hearing under this subpart must state specifically those issues in the final determination upon which review is requested. Those provisions of the final determination not specified for review, or the entire final determination when no hearing has been requested within the 21 days, are considered resolved and not subject to further review. Only alleged violations of the Act, its regulations, grant or other agreement under the Act fairly raised in the determination, and the request for hearing are subject to review.
- (d) A request for a hearing must be transmitted by certified mail, return receipt requested, to the Chief Administrative Law Judge, U.S. Department of Labor, Suite 400, 800 K Street, NW., Washington, DC 20001, with one copy to the Departmental official who issued the determination.
- (e) The procedures in this subpart apply in the case of a complainant who has not had a dispute adjudicated under the alternative dispute resolution process set forth in §667.840 within the 60 days, except that the request for hearing before the OALJ must be filed within 15 days of the conclusion of the 60-day period provided in §667.840. In addition to including the final deter-

mination upon which review is requested, the complainant must include a copy of any Stipulation of Facts and a brief summary of proceedings.

## § 667.810 What rules of procedure apply to hearings conducted under this subpart?

- (a) Rules of practice and procedure. The rules of practice and procedure promulgated by the OALJ at subpart A of 29 CFR part 18, govern the conduct of hearings under this subpart. However, a request for hearing under this subpart is not considered a complaint to which the filing of an answer by DOL or a DOL agency or official is required. Technical rules of evidence will not apply to hearings conducted pursuant to this part. However, rules or principles designed to assure production of the most credible evidence available and to subject testimony to cross-examination will apply.
- (b) Prehearing procedures. In all cases, the Administrative Law Judge (ALJ) should encourage the use of prehearing procedures to simplify and clarify facts and issues.
- (c) Subpoenas. Subpoenas necessary to secure the attendance of witnesses and the production of documents or other items at hearings must be obtained from the ALJ and must be issued under the authority contained in section 183(c) of the Act, incorporating 15 U.S.C. 49.
- (d) Timely submission of evidence. The ALJ must not permit the introduction at the hearing of any documentation if it has not been made available for review by the other parties to the proceeding either at the time ordered for any prehearing conference, or, in the absence of such an order, at least 3 weeks prior to the hearing date.
- (e) Burden of production. The Grant Officer has the burden of production to support her or his decision. To this end, the Grant Officer prepares and files an administrative file in support of the decision which must be made part of the record. Thereafter, the party or parties seeking to overturn the Grant Officer's decision has the burden of persuasion.

# § 667.820 What authority does the Administrative Law Judge have in ordering relief as an outcome of an administrative hearing?

In ordering relief, the ALJ has the full authority of the Secretary under the Act.

### § 667.825 What special rules apply to reviews of NFJP and WIA INA grant selections?

(a) An applicant whose application for funding as a WIA INA grantee under 20 CFR part 668 or as an NFJP grantee under 20 CFR part 669 is denied in whole or in part may request an administrative review under §667.800(a) with to determine whether there is a basis in the record to support the decision. This appeal will not in any way interfere with the designation and funding of another organization to serve the area in question during the appeal period. The available remedy in such an appeal is the right to be designated in the future as the WIA INA or NFJP grantee for the remainder of the current grant cycle. Neither retroactive nor immediately effective selection status may be awarded as relief in a non-selection appeal under this section

(b) If the ALJ rules that the organization should have been selected and the organization continues to meet the requirements of 20 CFR part 668 or part 669, we will select and fund the organization within 90 days of the ALJ's decision unless the end of the 90-day period is within six (6) months of the end of the funding period. An applicant so selected is not entitled to the full grant amount, but will only receive the funds remaining in the grant that have not been expended by the current grantee through its operation of the grant and its subsequent closeout.

(c) Any organization selected and/or funded as a WIA INA or NFJP grantee is subject to being removed as grantee in the event an ALJ decision so orders. The Grant Officer provides instructions on transition and close-out to a grantee which is removed. ### § 667.830 When will the Administrative Law Judge issue a decision?

(a) The ALJ should render a written decision not later than 90 days after the closing of the record.

(b) The decision of the ALJ constitutes final agency action unless, within 20 days of the decision, a party dissatisfied with the ALJ's decision has filed a petition for review with the Administrative Review Board (ARB) (established under Secretary's Order No. 2-96), specifically identifying the procedure, fact, law or policy to which exception is taken. Any exception not specifically urged is deemed to have been waived. A copy of the petition for review must be sent to the opposing party at that time. Thereafter, the decision of the ALJ constitutes final agency action unless the ARB, within 30 days of the filing of the petition for review, notifies the parties that the case has been accepted for review. Any case accepted by the ARB must be decided within 180 days of acceptance. If not so decided, the decision of the ALJ constitutes final agency action.

A written decision must be issued within 60 days after submission of the matter for informal review.

(b) The waiver of the right to request a hearing before the OALJ will automatically be revoked if a settlement has not been reached or a decision has not been issued within the 60 days provided in paragraph (a) of this section.
